

COLLEGE OF INSURANCE,
Insurance Institute of India, Mumbai
Liability Insurance (Focus: Financial Lines)
Program ID: CPG21
(FROM: 15TH TO 16TH OCTOBER, 2018)

Relevance of the Program:-

Liability Insurance is a fast-moving market, which needs a responsive and up-to-date approach based on a detailed understanding of emerging risks and legal developments. In Liability Lines we see Indian corporates appreciating the need to safeguard the reputation of their businesses and their employees against potential claims and exposure to costly litigation and looking at insurance as a risk-hedging mechanism. This has directly contributed to the popularity of financial lines' liability insurance.

This course combines the theoretical understanding of concepts with practical cases to enable participants to appreciate and comprehend financial lines liabilities. The program is designed from the perspective of preparing the insurer for the role of a financial risk management consultant for a client and hence an intensive reading and learning is recommended. Adequate learning materials would be provided.

Program Objective:-

The program is designed to enable participants to:

- Develop critical appreciation of concepts related to financial liability lines
- Understand products such as Financial Lines Products such as Directors' & Officers' Liability, Professional Indemnity, Cyber Liability, POSI
- Appraise the insurer on the broad range of claims scenario
- Develop understanding on the target group of each of these products
- Preparing the insurer to assist the client in taking appropriate insurance buying decisions

Participant Profile:-

The Program is recommended for persons engaged in marketing, underwriting or loss management related to liability lines working in the Liability Department at the Head Office/ Zonal Office of PSUs / Private Insurance Companies / Broking Firms and from Companies seeking Liability Protection Insurance Coverage.
