**Relevance of the Program:-**

Liability Insurance has made rapid strides in the past few years in India, thanks to the global nature of the business. This line of business is based on techno-legal knowledge and one needs to understand unforeseen liability situations that may arise from emerging and current businesses. Persons dealing with marketing, underwriting or claims in liability insurance need to understand multiple concepts and apply them to real and dynamic situations. This course gives a theoretical understanding of Liability concepts with practical cases to enable participants to critically appreciate and comprehend casualty and financial lines of liability. The program is designed from the perspective of interacting with a customer and appreciating essential back office functions.

**Program Contents:-**

At the end of the two day program, the participants would be able to:

- Develop critical appreciation of concepts related to public liability, product liability, CGL, E&O and D&O
- Comprehend factors critical to making underwriting decisions
- Understand actual situations and assist customers in taking informed insurance buying decisions

**Participant Profile:-**

- The Program is recommended for Junior Executives engaged in marketing, underwriting or loss management related to liability lines working in the Liability Departments at Head Office/ Zonal Office of PSUs / Private Insurance Companies / Broking Firms and from Companies seeking Liability Protection Insurance Coverage. The program is being
