

Virtual Training Session on Preparing for Retired Life (Second Innings) (CVT – PRL) 8th – 9th June 2021

Large organizations have always recognized the value of providing their retirees with pre-retirement training from professional trainers. Planning for time management, health, wealth and wellness is essential for people whose daily routine undergoes radical change on retirement after putting in a long service in organizations. Due to Covid-19, the world has been experiencing unprecedented things. Offices are unoccupied, transportation and conveyance facilities are limited and businesses are operating from remote places. Offices have seen people retiring while at home! A totally unexpected phenomenon. Some staff members and officers from insurance industry have retired from home during the lock down period. **Many have retired during the last year and there would be many more to retire this year, probably, from home itself.**

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations. This two day workshop for those who retired during March till now; and those set to retire in coming months. This will certainly help the retirees to plan their investments in time, money and health for a well-planned long retirement.
