

**College of Insurance
Insurance Institute of India, Mumbai
Reinsurance Management
Program ID: IPG6
(From: 22nd to 27th June, 2020)**

Relevance of the Program:-

The insurance and reinsurance markets around the globe are becoming increasingly exposed to the devastating effects of natural catastrophes like earthquakes, tsunamis, floods, etc. The impact of man-made disasters has also badly affected the industry in recent times. These changes have made it imperative for insurance executives to acquire advanced skills and update themselves with the emerging trends and practices relating to reinsurance business to maintain their relevance in the present day.

In addition to traditional practices of managing reinsurance, insurance executives need to know about controlling accumulations, financial security, Alternative Risk Transfer mechanisms and other issues critical to the handling of reinsurance business, including the use of information technology for appropriate reinsurance decisions.

Recognizing this knowledge gap of executives of the insurance industry, the College of Insurance has designed this Program on Reinsurance Management for domestic and international participants.

Program Objective:-

- Updating the participants' concepts and understanding of all aspects surrounding the management of reinsurance portfolio in an insurance company,
- Understanding the special characteristics of international reinsurance markets and Pools,
- Familiarization with all essentials needed in fixing retentions,
- Explaining various kinds of reinsurance arrangements available,
- Enhancing skills to design a Reinsurance Program,
- Developing skills for effective placement and distribution of reinsurance,
- Monitoring/ controlling accumulations and Nat Cat exposures,
- Appreciating use of statistical analysis quantitative techniques in reinsurance,
- Enlightening participants on Legal aspects, Clauses, Wordings and Documentation for reinsurance,
- Understanding Reinsurance aspects of classes of business like Property, Engineering and Liability
- Understanding issues surrounding Inward Reinsurance,
- Explaining the importance of Reinsurance Accounting – methods and procedures

Program Focus:-

The Program is specially designed for insurance executives in the junior and middle management levels from the insurance and reinsurance departments, underwriting and claims departments, engineers, brokers as also information technology experts.
