

## On-line sessions on Liability Insurance – CGL & Non-Financial Lines (CVT – LI-CGLNFL) - 19<sup>th</sup> – 20<sup>th</sup> August, 2020

In India for years people have developed the expertise in traditional products. That time less important was given to liability products which were more popular in global market. With shrinking global boundaries, it becomes very important for us to adopt global practices. Advent of technology has definitely increased the awareness of people about their legal rights. Resulting in many liability claims.

In this background, the College of Insurance aims to provide insurers with a strong theoretical framework on Liability Insurance and liability policy specifically sold under Casualty lines to bring in a higher level of professionalism in their work.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

The program is designed to enable participants to:

- Revisiting the concept of Liability Insurance
- Understanding the policy wording and clauses under liability lines
- Understanding the issues and challenges in Public Liability policy
- Appreciating the Nuances of Product Liability policy
- Develop better insights into Commercial General Liability policy
- Acquaint with some popular add ons opted.
