

Virtual Training Session on Certified Insurance Anti-Fraud Professional (CVT –CIAFP) – 7th – 9th April, 2021

Over the last few years, the importance of preventing, avoiding and eradicating frauds is being increasingly understood by the industry. However, the lack of a comprehensive and integrated approach to Insurance Fraud Management continues to be a concern. While fraud related courses are available in more developed markets, the absence of a comprehensive academic programme that can create a cadre of anti-fraud professionals has been cited as a reason for the Indian Insurance industry being victimized by fraud.

In this context, III has designed its **Certified Insurance Anti-Fraud Professional (CIAFP)** course in association with North American Training Group (NATG). The objective of the Course is to cover all academic and practical aspects of fraud fighting, fraud detection cum investigation and fraud prevention in insurance.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.
