Introduction

POST GRADUATE DIPLOMA IN HEALTH INSURANCE - PGDHI

The Health insurance industry in India is on a high growth trajectory due to increased insurance awareness, better healthcare facilities and newer health insurance products to choose from. Looking to the thrust placed by the Government on Universal Health Coverage, Swachh Bharat- Swasth Bharat and by IRDA in creation of a separate vertical for Health, a growing demand for fully trained professionals is anticipated in this domain.

Insurance Institute of India (III), Mumbai, a premier pan India insurance education body, through its College of Insurance, in collaboration with the Autonomous Department of Economics of the University of Mumbai (A Grade accredited by NAAC) renowned for its quality education to provide a widely accepted platform for gainful employment to the students, is conducting a one year Post Graduate Diploma in Health Insurance (PGDHI) part time Course since 2013-14.

Three batches of PGDHI have already passed out & are placed in insurance sector. The fourth batch is underway & registration for admission to the 5th batch is open on the III website.

The course takes the participants through all the aspects of Health Insurance including health economics, product development, rating, risk evaluation, human anatomy, diagnostics, underwriting, claims processing, importance of data analytics, fraud prevention and functioning of Third Party Administrators (TPAs).

Eligibility Criteria

Graduates (3 years) in any faculty. Students appearing in final year of graduation (2017) are also eligible to apply. Working professionals (including doctors) in health / insurance sector are welcome to join this course to upgrade their professional qualification, knowledge and for career advancement.

Fresher can join the course for making a career in the Health Insurance Sector.

Class Room Delivery & Research Project

The program is a blend of classroom sessions (2 semesters) and a Research Project work under guidance of senior practitioners.

The course essentially includes forty-eight hours of classroom delivery which is mandatory for each of the seven theory papers, Project work and assignments.

The Research Project would demonstrate the practical applications of the knowledge acquired by the students.

Classes are conducted at College of Insurance, III, at Bandra-Kurla Complex, Mumbai on weekends.

PGDHI Diploma

On successful completion of the course the Diploma will be awarded jointly by University of Mumbai and Insurance Institute of India.
