

Virtual Training Session on Marine Hull Insurance (CVT-MHI) – 22nd – 23rd September, 2020

Geographically, almost half of India's border is covered with sea. In terms of international trade, the amount of trade done by land and air is very limited. In India, in terms of volume ninety percent and in terms of value seventy seven percent are carried by sea. Hence, it is contributing considerably to Indian economy. Marine Hull Insurance is international in character and its practices are also of international nature. This

requires special knowledge to deal with this insurance.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

The program is aimed to provide knowledge about:

- The International regulations and conventions guiding shipping Industry
- Risks involved with Hulls and its operation
- Various covers available for Hulls and for liability
- ITC clauses with concept of general average
- Claim processing

Program Content:

- ✓ Anatomy of Ships
- ✓ International Conventions and laws guiding shipping industry
