

Virtual Training Session on Insurance for Managing Public obligations of Corporates (CVT-IMPOC) – Program ID – CPC2 (26th April, 2022)

A corporate has numerous responsibilities to the country and the society at large. Some are as per law while some others are contractual, social or by way of ethical practices. There are many Public Liabilities of corporates in addition to their contractual or Employee Liability that comes from specific legislations/contracts. Insurance covers for only some Liabilities are mandatory. However many corporates opt for several insurance to avoid unnecessary risk exposures.

Liabilities to the public could be from the Public Liability Act (1991) other legal liabilities.

COI has created '*Virtual Training (CVT) Rooms*' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

Program Objectives: This program is designed to make participants aware of the:

- Liabilities that can accrue to corporates from the public.
- The policies that cover such liabilities under public Liability Act and from various property damages and personal injuries.

Program Content:

- Various liability scenarios.
- Policies that protect corporates from unexpected liabilities.

Participant's Profile: This program is designed to make corporates and brokers/insurers/agents who deal with corporates aware of the insurance available to meet their needs.
