

COLLEGE OF INSURANCE INSURANCE INSTITUTE OF INDIA, MUMBAI

Business Interruption Program ID: - CPG28 (From: 10th to 11th December, 2018)

Relevance of the Program:-

The complexities of manufacturing are increasingly multi-fold due to the changes in technology and business processes. The agreements which manufacturers enter into with various stakeholders and customers are also becoming increasingly complicated with new types of contractual liabilities, tight-rope turnaround times and increasing interdependence between various sectors, thanks to newer technologies in the logistics industry and contract wordings from other markets. The entire value chain of business has become different in many industries.

Program Objective:-

This program seeks to create an increased awareness of the traditional and modern risks faced by the industry and the increased responsibility of the insurance industry in evaluating them. The challenges in underwriting business interruption policies and the major concerns in settling the claims, what add on covers to be opted, importance of risk management to arrest the loss would be discussed.

Participant Profile:-

The program is specially designed for insurance company officers in the middle management level from underwriting and claims departments, risk engineers, brokers, loss adjustors who have interest in property insurance policies and those interested in working in this area.

Timing : 10.00 a.m. to 05.00 p.m.
