

**College of Insurance
Insurance Institute of India, Mumbai
Health Insurance
Program ID: CPG24
(From: 08th to 10th December, 2020)**

Relevance of the Program:-

Health Insurance has become one of the most challenging areas of insurance over the last 20 years. While a billion plus people are waiting to be covered, insurers are facing challenges of reaching out to prospects, understanding consumer needs, matching products to needs and designing products that are affordable, sustainable and relevant. Once the contract takes effect, insurers need to rise to the expectations of their customers.

The College of Insurance has designed this program for serious minded insurance professionals who wish to understand these challenges as also multiple matters like the working of health service providers, the roles of intermediaries in selling products and settling claims; and understanding and managing fraudulent situations.

Program Objective:-

The program of 3 days is designed to give better focus to the health insurance professionals on some areas of vital importance. It aims to make the participants -

- Appreciate the environment in which health insurers are operating today
- Understand some major diseases and treatment procedures
- Understand Government schemes like the Pradhan Mantri Jan Arogya Yojana
- Comprehend the working of health service providers and related sub-systems
- Appreciate the challenges in product development and pricing
- Appreciate the efforts of the industry in mitigating frauds affecting Health Insurance.

Participant Profile:-

The Program is designed for executives working in health departments of Insurance Companies, Brokers, TPAs and those who are interested to work in areas related to Health Insurance.
