

On-line sessions on Management of Fire Insurance (Material Damage and LOP) – (CVT – MFI) - 6th- 7th July, 2020

Fire used to be the profitable portfolio. But its drastic downturn demands a relook to the management of this portfolio. Risk inspection, Risk analysis, Rating, PML considerations are the major areas which need to be looked into.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

The Program of **two days duration** aims to make the participants aware of –

- **The Fire Insurance including IAR and Business Interruption covers.**
- **The need and the techniques of Risk Inspection.**
- **Significance of PML**
- **The Management of Fire and LOP Claims**

Who should attend?

The Program is designed for Executives from Insurance Companies, Brokers, IMF, Surveyors and Customers.
