

Virtual Training Session on Managing Thermal Power Plant Insurance - (CVT-MTPPI)

9th November, 2020

About 65% of the electricity consumed in India is generated by thermal power plants. With a production of 156.1 Tera Watt-hour (TWh), India is the world's third largest producer of electricity. India is also the third largest consumer of energy. The Power industry accounts for almost a quarter of the projected investments amongst all the infrastructure industries between 2012-17. FDI in the Power industry between April 2000 to December 2019 stood at USD14.65 Bn. Electricity generation installed capacity increased by 39.2% from 248.5 GW in March 2014 to 370.1 GW in March 2020. As of March 2020, India has a total thermal installed capacity

of 230.59 GW. Almost 86% of the thermal capacity comes from coal and the rest from Lignite, Diesel and Gas. The above describes the importance of Thermal Power Sector on Indian economy and on Indian Society.

Like any other Sector, it has its own risks in the form of adapting new technology, managing generation, managing distribution and managing financial losses arising out of fortuitous incidences. One of the risk management tools is to transfer the risk to Insurance Companies. This transfer process needs some fundamental knowledge of technology, Insurance process including selection of correct policies, fixing Sum Insured, handling claims and such other related matters. This programme is aimed at imparting those knowledge to the participants.

COI has created '**Virtual Training (CVT) Rooms**' to conduct the above programme as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

Programme Objective: The Programme of three hours duration aims to make the participants aware of:

- Working of Coal based thermal power plant
- Working of Gas Based Combined Cycle Power Plant
- Major equipment and its protection systems
- Typical breakdown and loss scenarios in the power plant
- Typical insurance coverage

Participant's Profile: The Programme is designed for Executives from Insurance Companies, Brokers, IMF, Surveyors and Customers / Marketing official / Corporate agents / Field Marketing force and officials of Thermal Power Companies and others involved in the area.

| Duration | Date | Time (IST) | Hours |
|----------|-------------------------------|-------------------------|-------------|
| One Day | 9 th November 2020 | 10.00 hrs. - 13.00 hrs. | 03.00 Hours |

Course Fees: Rs.1770/- (Rs.1500/- + 9% CGST + 9% SGST)

How to enroll: [Click here for Registration](#) and for any help/queries please mail to college_insurance@iii.org.in

Certificate of Participation: Online Certificate in PDF format will be issued to all the participants.

Programme Coordinator: Mr. Pradip Sarkar, Principal (Email id: sarkar@iii.org.in, Mob.no. +91 8370038858)
