On-line sessions on Agriculture Insurance for Surveyors (CVT – AIS) – 15th- 16th June, 2020

Agriculture is the backbone of the Indian economy and the need of the hour. This online training on Agriculture insurance for Surveyors would be highly useful for the agriculture surveyors and the Agriculture students desirous of joining the profession.

COI has created '*Virtual Training (CVT) Rooms*' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

The sessions would cover the following areas:

- An introduction to agriculture and crop insurance in India and other countries
- History of Crop Insurance
- The current crop insurance scheme in India
- The operational modalities of crop insurance scheme
- Loss Assessment of claims
- Opportunity for surveyors and their roles and responsibilities on loss assessments
- Other insurances under agriculture insurance
- Reinsurance of crop insurance programme
- Questions and Answers Session

Who should attend?

Marketing Executives and Back Office Teams of Agriculture Insurance Companies, the Agriculture Surveyors and the Agriculture Students desirous of joining the profession.
