

Virtual Training Session on Marketing of Insurance Services – In The Current Scenario (CVT-MIS)–Program ID–CPG62 & Date 18th February, 2023

Everyone in an organisation is directed towards marketing activities, visibly and/or invisibly. The term “Marketing” often has been misunderstood by the people in an organisation, and act in silos. India is rapidly transforming and developing on all socio-economic fronts; more so digitally driven. Perfect competition is in place. Marketing strategies are taking shifts for wider market penetration for the providers.

Insurance being in the Financial Service sector has its own challenges to “push” (Insurance is primarily a “Push” product for sale) its services for acceptance in an ever increasing competitive market. All the organisations in the insurance ecosystem need to understand well the marketing fundamentals and the marketing mix to create each provider’s USP, not only for profitable growth in business but also to create value additions to the Customers’ Experience.

COI has created ‘*Virtual Training (CVT) Rooms*’ as a cost-effective mechanism for participants to equip themselves academically at their respective locations.
