

College of Insurance
Insurance Institute of India, Mumbai
International Program – Excellence in Insurance Technical – Non Life
Program ID: IPG28
(From: 13th to 24th January, 2020)

Relevance of the Program:-

'Excellence in Insurance – Technical' is designed as an exclusive 2 week course for senior and middle level executives of the International Insurance Industry, to give them an overview of the technical and functional aspects of insurance. The course would give them conceptual clarity on their roles like underwriting, claims servicing and settlement, distribution, product development, pricing, reinsurance, etc. It would also familiarize them with line-specific challenges and align them to the regulatory and business realities of the market as well.

Program Objective:-

The course is designed to enable participants from multiple countries to develop a comprehensive understanding of the theory and practice of general insurance. It aims to make them understand (i) risk management and insurance, (ii) various types of general insurance products, (iii) reinsurance, (iv) challenges in claims settlement, (v) concerns in product development and pricing as well as (vi) the various processes which are part of the general insurance industry.

Participant Profile:-

The Course is essentially designed for officers of the international general insurance companies and brokers. The delivery will be customized to the level of knowledge of the target participants ranging including young employees to mid-senior levels. For seniors and specialists, specialized courses for shorter duration can be drawn.

Timing : 10.00 a.m. to 05.00 p.m.
