

## Virtual Training Session on Motor OD Insurance - Underwriting and claims (CVT-MODI) 15<sup>th</sup>-16<sup>th</sup> November 2021

The mobility landscape is rapidly changing in India from electrification and connected cars to data monetization and mobility as a service. Covid -19 represents an inflection point in the evolution of the India's mobility systems with more preference for private vehicles than shared pools. Motor insurance hence is the fastest evolving insurance with changing regulations and technologies. There is a paradigm shift with the growing advent of electric vehicles.

In this workshop we aim to bring together all stakeholders to have a thorough discussion on the challenges faced by customers and insurers in understanding and implementing the changes ahead and the best way forward to ensure that no vehicle remains uninsured.

COI has created '*Virtual Training (CVT) Rooms*' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

**Programme Objectives:** The programme is designed to enable participants to:
