

**College of Insurance
Insurance Institute of India, Mumbai
Classroom Training Session on Mega Risk Project Insurance
(CT-MRPI) - Program ID – CPG35
(From: 19th to 20th December, 2022)**

Relevance of the Program:-

Infrastructure sector is a key driver for the Indian economy. Hence it always enjoys the focused attention of the Government. In the Union Budget 2021, the Government has allocated Rs. 233,083 crore to enhance the country's transport infrastructure. As part of project management, Project Insurance is required for every infrastructure related activity, to ensure that the initiative is sustainable for the stakeholder. Thus, there is increasing demand for Project insurance, both for construction and for operations.

At the insurance industry level, Project Insurance requires developing advanced skills in underwriting and claims management.

In this context, the College of Insurance aims to provide knowledge and skill inputs to insurers and others involved in Insurance of Mega Projects and related risk management activities in various capacities.

Program Objectives:-

- Update understanding of Construction and Operation Phase Engineering insurances such as CAR, EAR
- Reinsurance aspects of Mega Risk Engineering Insurances
- Familiarization with PML concepts and their significance in decision making process for reinsurance
- Discuss issues and challenges in claims management and claims procedures
- Deliberate on case studies on actual losses in construction and operational insurance policies

Participant's Profile:-

The program is specially designed for officers in the middle management level from underwriting and claims departments of insurance companies, engineers, brokers,
