Insurance Institute of India, Mumbai
Classroom Training Session on Cattle Insurance, Live Stock
and Pet Insurance and other forms of Rural Insurance
(CT-CI, LS & PI) - Program ID – CPG43
(From: 20th to 21st February, 2023)**

Relevance of the Program:-

The Indian insurance industry has been implementing different Insurance schemes for cattle, livestock, poultry, fishes, honeybee etc. for a long period. Rural insurance involve multiple stakeholders, including State Govt., insurance companies, financial institutions, farmers etc.

Risk coverages and Underwriting considerations: Generally, death and disablement due to diseases and accidents is covered. Specific underwriting guidelines are framed depending upon the type of animals covered. Cattle and livestock assets may be financed from financial institutions while insurance schemes are promoted and subsidised by the Central and State Governments.

There can be various challenges in underwriting Rural insurance for example if insurance is done on market value basis, the fair assessment and settlement of claims can be a challenge. Various technologies are being used for easy implementation of cattle and other rural insurances in India and abroad.

Poultry, duck, fish-in-pond, horse, camel, elephant, honeybee brakishwater fish, hydroponics, mari culture, apiculture and sericulture are other forms of Rural Insurance, which can increase premium volume of the rural portfolio.

Program Objectives:-

The two days session is designed to discuss:

- Operational modalities of cattle and livestock insurance schemes
- Assessment of claims
- Use of Technology in Cattle Insurance
- Other rural insurances

Participant's Profile:-

Executives working in Rural and Agriculture departments in Insurance companies, practicing and aspiring Agriculture Surveyors, product developers, agriculture students, brokers and agents.
