

**College of Insurance
Insurance Institute of India, Mumbai
Fire Insurance Claims and Fraud Control
Program ID: CPG8
(From: 13th to 14th July, 2020)**

Relevance of the Program:-

Insurance is a mechanism which helps the Industries to transfer their risk and concentrate on the doing their core business without worrying too much about unforeseen damages. Fire Insurance covers a range of unforeseen damages and certain natural catastrophic events. Fire insurance is considered as one of the old and fairly popular products in the non-life Insurance business. The claim settlement on its own is fairly complicated and an impactful part of the Insurance value chain.

Even though fire insurance has been sold for years, there are some issues faced during the claims settlement regarding interpretation of the wordings or challenges regarding how to avoid similar losses in future. Considering that the subject matter insured could be of diverse type, its understanding becomes very important.

In this Context, the College of Insurance aims to provide the knowledge and awareness to Insurers to face these challenges and respond in the best possible way.

Program Objective:-

The program is intended to firm up the basics of fire insurance professionals, make them comfortable to understand and deal with various challenges in settling claims. The program is design to empower the participants in the following areas:

- Firming the fundamentals of Fire Insurance
- Understanding the importance of Risk Management post loss
- Learning the nuances of various clauses and how they will impact the claims settlement
- Appreciating the challenges in evaluating losses and paying claims in a fair and Professional manner
- Concept of Business Interruption related to fire insurance line and how fire claims will impact the Business Interruption claim will also be discussed.

Participant Profile:-

Junior and middle level officers dealing with fire/ property lines of insurance from insurance companies, brokers, corporate agents, surveyors and corporate customers of the insurance industry.
