

Virtual Training Session on Managing Marine Hull, Oil & Energy Insurance- Underwriting & Claims (CVT-MMH) Program ID - CPG27 (From: 17th-18th October, 2022)

Marine Hull, Oil & Energy business are very niche products for the insurers and the intermediaries, hence is less competition. Very limited but resourceful clients who are either the vessel/ship owners or the charterers. Oil & Energy risk owners are basically the oil companies engaged in off-shore/On-shore oil exploration business. As this subject is highly technical, it requires to groom the executives to deal with this subject effectively from the points of view of marketing as well as managing the subject matter professionally to meet the customers' needs.

COI has created '*Virtual Training (CVT) Rooms*' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

Program Objectives:

The Program is of two days duration. It aims at helping the participants to gain and improve their knowledge with practical orientations on:
