**Relevance of the Program:-**

The world is coming closer as part of the globalization process. However, this has an impact on the age-old fabric of the society and the ways of doing business; causing direct impact on the Liability line of business. Hence, those in this line of business need in-depth understanding of the emerging risks, laws of the land and an awareness of the international legal framework. As claims can come from diverse scenarios, understanding the exact terms that are offered under this line of business becomes very important for all the stake holders in Liability Insurance business.

College of Insurance aims to improve the professionalism of Liability insurers, by providing them with a strong theoretical framework on Liability Insurance, focusing on Casualty and similar Non-Financial lines of Liability insurance.

**Program Objectives:-**

The program is designed to enable participants to:

- ✚ Revisit the basics of Liability Insurance
- ✚ Understand policy wordings and clauses
- ✚ Understand the nuances in Public Liability
- ✚ Understand the issues and challenges in Product Liability insurance
- ✚ Develop better insights into Commercial General Liability insurance
- ✚ Acquaint with some of the popular add-ons in the Liability market

**Participant's Profile:-**

Junior and middle level practitioners working in marketing and technical departments of insurance companies, intermediaries and other insurance related areas.
