

## Virtual Training Session on Marine Hull Insurance (CVT-MHI) – 28<sup>th</sup> – 29<sup>th</sup> September, 2021

Geographically, almost half of India’s border is covered with sea. In terms of international trade, the amount of trade done by land and air is very limited. In India, in terms of volume ninety percent and in terms of value seventy seven percent of the goods are carried by sea. Hence, it is contributing considerably to Indian economy. Marine Hull Insurance is international in character and its practices are also

of international nature. It requires special knowledge to deal with this insurance.

The programme is aimed to provide knowledge about:

- The International regulations and conventions guiding shipping Industry
- Risks involved with Hulls and its operation
- Various covers available for Hulls and for liability
- ITC clauses with concept of general average
- Claim processing
