

**College of Insurance
Insurance Institute of India, Mumbai
Fire Insurance Underwriting
Program ID: CPG15
(From: 07th to 08th September, 2020)**

Relevance of the Program:-

Fire Insurance is an important business portfolio for every General Insurance company. It is equally important for its stake holders and the customers. The owners of small Dwelling houses, the shopkeepers to large and mega Industrial houses that have been growing over the last few centuries equally require Fire Insurance.

Industrial and Manufacturing houses for different commodities and related entities deal with huge assets, machineries and stock. Physical damage to these would be often too costly for the manufacturer to bear. Sustaining businesses by way of insurance protection has been the strategy adopted by multiple governments and industries in their attempts to preserve the wealth of the nation. Fire insurance covers losses and damages that can arise from a wide range of unforeseen accidents, natural calamities, errors or even malice.

Program Objective:-

The program is intended to firm up the basics of fire insurance professionals, make them comfortable in underwriting and claims settlement.

- Understanding and analyzing risk in multiple industries
- Understanding of Fire underwriting of diverse types.
- Importance of charging rates commensurate to risk.
