

## Virtual Training Session on Appreciating Forensic Science in Insurance Investigations (CVT- AFSII) - 18<sup>th</sup> October 2021

The role of forensic science cannot be ruled out in insurance claim investigations. It has become an essential part of the judicial system, as it utilizes a broad spectrum of sciences to achieve information relevant to criminal and legal evidence. Forensic science may prove the existence of a crime, the perpetrator of a crime, or a connection to a crime through the Examination of physical evidence.

The College of Insurance, Insurance Institute of India (III) designed a holistic training and certification course for professional Investigators to detect and report on Frauds with tangible evidence thereby arrest the growing frauds in the Industry. The course would address not only insurance frauds but also internal frauds and verification of employee antecedents, among others. India's leading Forensic expert shall be your session Faculty on the role of this unique subject to assist you in dealing with and sharpening your investigating skills.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.
