

**College of Insurance
Insurance Institute of India, Mumbai
International Program – Excellence in Insurance Technical - Non-Life
Program ID: IPG9
(From: 27th July to 07th August, 2020)**

Relevance of the Program:-

'Excellence in Insurance – Technical' is designed as an exclusive two week course for senior and middle level executives of the International Insurance Industry.

It aims to give them an overview of the technical and functional aspects of insurance. The course would give them conceptual clarity on roles like underwriting, claims servicing and settlement, distribution, product development, pricing, reinsurance, etc. It would also familiarize them with line-specific challenges and align them to the regulatory and business realities of the global market as well.

Program Objective:-

The course is designed to enable participants from multiple countries to develop a comprehensive understanding of the theory and practice of general insurance. It aims to make them understand

- Risk management and insurance,
- Various types of general insurance products,
- Reinsurance
- Challenges in claims settlement,
- Concerns in product development and pricing as well as
- The various processes which are part of the general insurance industry.

Participant Profile:-

The Course is essentially designed for experienced junior officers to mid-senior officers of general insurance companies and brokers from various countries outside India. The course design allows some degree of customization to the level of knowledge of the target participants so that the aspirations of different markets can be factored into the course delivery.
